Subject: Re: non-urgent request
It was almost PERFECT Phil!! Memorandum should be in 14pt and there should be 2 blank lines between memorandum and the To: line. I shrunk the font to 11 pt. to get it all on one page. If this is to be filed the file number needs to go on the last line of the page as File #.##. Here it is To: Noelle Gray/ARRBcc: From: Phil Golrick/ARRB Date: 07/03/95 02:40:03 PM Subject: Non-urgent request Please put the attached memo into office-standard format. Thanks.
