Subject: Re: New Orleans Crime Commission

Will you please copy the RIF's and whatever they refer to on your next trip. Tom has been working on this as well so I'll forward your message to him as well. Please let Tom know about whatever you find. Thank you.

After our brief chat yesterday, and purely by random chance, I came across some HSCA/NOCC RIFs at Archives II. According to my handwritten notes, I saw RIFs for four documents which contained a sum total of 88 pages. I didn't copy the RIFs at the time (which I should have done), but they were filed under agency file number 009573.
