Subject: Re: Martindale Hubbell Directory

All good questions, but I don't know the answers to any of them -- except to say that I am sure that one of the interns will be available to help you in the immediate term. Dennis and I will check with the interns on their plans for August/the school year and get back to you. However, even if none of the current interns wants to stick around during the school year, I suspect that David and Jeremy would approve of us offering a fall semester internship to law students in the area, if we had work for the person.

If I can put together a list is attorney names and last known addresses, could one of the interns do the look up work? (I mentioned this to Dennis at HH Friday and he thought it would be something one of them could do.) How far into August will the interns be with us? Will we have anyone during an internship during the school year?

What are your ideas about the easiest and quickest access we have to a set?
