Subject: Re: LOC

I also need to get a small book edited by Ann Landers. It's title is something like "Where Were You the Day President Kennedy Was Killed." It is a compilation of letters (200 to 300 from the 30,000 or more she received); it may prove to be a good source of people in Dallas with cameras or other relevant places (Do you suppose E. Howard Hunt wrote to her? Maybe we can finally learn where he was that day.) Thank you.
