Subject: Re: intern availability

Many thanks. I didn't think you were ignoring me! May I give you the list and several signed check-out forms (from Eric.) I will be in and out on interviewd for the next two days, and will be out of the office altogether on Thursday and Friday. This was you'll have what they need when they are ready to go whether I'm here or not. To: Anne Buttimer/ARRBcc: From: Laura Denk/ARRB Date: 07/10/95 02:17:59 PMSubject: Intern availabilityAnne - please don't think I am ignoring your e-mails about the LOC. We don't have any interns here today (only Frank comes on Monday and if he was here, he is now somewhere else.) When the interns are here and ready to go, I will send one your way for LOC book gathering assignments.
