Subject: Re: SCIF Shelves
Noelle, the trashcans should ONLY be emptied by the cleaning people if they do not contain classified/sensitive information. Otherwise, just take out the bags and leave them in the SCIF and have a liner put in the can. We will be taking our classified trash to a burn center for disposal. David, is this right?

If you are ever looking for agency docuemtns in the SCIF don't forget the location of all agency documents located in the SCIF can be easily found in the SCIF Track Database. P.S. If you notice the trashcans in the SCIF getting full, please sit them outside the SCIF door and the cleaning ladies will empty them. Thank you.
