Subject: Re: Files

I spoke to Valerie about it this morning and the cost of legal size expandable folders is @ \$3.00/each. Tracy is not in yet, so we will bring it up at our next Admin meeting due to the cost. I'll let you know the outcome as soon as I can.

Subject: Files
Eric and I were a little concerned about the "handling" of the files in the SCIF. We thought that it would be a good idea to place the folders in expandable folders (redwells?) so as to make them easier to handle and also reduce wear and tear. Any thoughts?
Thanks, Manuel
