Payroll is trying to locate your paperwork. In the meantime, I faxed them our copy. I don't know when they'll get it resolved, but you will be able to file for reimbursement once they do. I'll keep you posted.

I don't mean to bother you, but I need to pick up a perscription tonight and I would really like to get my number on record with the pharmacy. I know you (all of us) will be busy today with the Board in town. I will gladly take care of it myself if you give me the number to call. THANK YOU!!
