Yes, I got the cards. They will go to the FBI probably tomorrow when the FBI folks head down there. They will hopefully take no more than a week to process. I am going to the DEA tomorrow to look at his file. I do not believe a letter has gone out to him. I can draft one and have David sign it. I will need for you to copy what you need out of his file and then turn the personnel file over to me. He told me he was mailing them from Silver Spring last Monday - I hope we've received them by now. Also - Should a letter be sent to David stating the offer of employment, conditions of same, and salary? I have the file in case this letter has already been sent and a copy needs to go to the file. We are requesting his file from the DEA and pending what's in it, will be able to adjudicate without additional investigations. What is the next step he/we/I need to take?
