Subject: Re: Your previous work on anti-Castro Cuban groups
The reports I wrote are stored in the "r" drive, in the "hsca" folder. They are merely summaries of the hsca volumes and should not be construed as investigative or analytical in and of themselves. I do not have hard copies, though they can be printed easily enough. Let me know if you want hard copies. The following are the titles of the reports I wrote: 2506, alpha 66, camp st., crc, crcno, dre, ferrie, jgce, jure, mdc, mirr, quesada, ray. I hope this is of use to you. Please let me know if there is anything further I can do. Thank you.

Subject: Your previous work on anti-Castro Cuban groups
Jeremy has asked me to do some work in the HSCA database in the above area, and he referenced that, before I came on board, you had done some reports on this subject which I should look at. Can I either obtain hardcopies or find out where they are in the computer? At your convenience. Thanks.
