**Subject:** Re: new people

I think it would be better if Doug moves into one of the already occupied rooms. Let's talk.

We will have two new people starting on August 7. One is Doug Horne and the other is David Montague (yes, another David and David M. at that!). David will sit in the big office across from Anne--I'll pick a desk and let you know. Doug will sit where the interns are currently sitting. We'll move the interns to the room with David M. I'll set up the phones if you'll do the computers. Val, please take care of supplies. Thanks. Also, Christina will officially start with us on the 7th so let me know if you have that mail database or anything else for her ready to go.
