No need to delete, just add in your contact with Marshall that I accidentally deleted. Thanks.

No big deal. Do you still need me to delete anything?

Please ignore my last e-mail. Chet gave me the power to delete and I inadvertantly deleted the information you had under Marshall for Customs. Can you go back in and put in the same information under Marshall in US Customs Service. I am really, really sorry. I was cutting and pasting and it never pasted. It will never happen again. I promise. I hope you are not really mad.
