Subject: Re: Outstanding Tasks

You are more on top of all this than I am. I don't think you've repressed or forgotten anything, although for the next week I do hope you will forget this place even exists and ENJOY YOUR VACATION!!

Subject: Outstanding Tasks
I will keep the NYPD RIF and secure the document upon my return. I'm aware of two other outstanding tasks I have in connection with your work: 1) Connally medical records: I'm more than halfway done plowing through HSCA records on this subject -- which turned out to be a much bigger task than I anticipated -- and will attempt to finish it the week of my return, and 2) Warren Commission administration records: I have yet to start on this, but my understanding is that you'd like me to compile a complete staff listing along the lines of what I did for the HSCA. I should be able to get a start on that, also, upon my return. Is there anything important that I'm forgetting (or have repressed)? Let me know!
