Subject: Re: credentials language FIRST DRAFT

I think we should have David's signature and the bearer's signature (ie. mine or whomever's.) Possible language could be " This is to certify that Anne E. Buttimer, Chief Investigator, whose photograph and signature appear hereon is a representative of the John F. Kennedy Assassination Records Review Board (ARRB), created at 44 United States Code section 2107 (1992). This representative is authorized to conduct all manner of inquiries on behalf of the ARRB including investigations, interviews, document reviews, service of subpoenas, and receipt of assassination records." To: Anne Buttimer/ARRBcc: From: Eileen Sullivan/ARRB Date: 08/01/95 10:17:29 AM Subject: Credentials language We will be designing the credentials this week and need a quick few sentences that sum up our charge and authority. David asked me to ask you about that language. Any thoughts? Thanks!
