I would like to have a meeting on Friday morning at 10:00 to discuss military matters. Please let me know if that time works for you. I would like to plan our next specific steps to take on military matters. I would like to write letters to DOD, Marines, Navy-ONI, and Army requesting specific information from them. Please bring your lists and ideas for our requests. The goal is to send letters to them on Friday or Monday. In addition, it would be useful if you could make specific recommendations for people whom we should talk to about military matters.
