Subject: Re: Sister's wedding, Friday before Labor Day
It is fine to go to the wedding and the rehearsal. You are absolutely forbidden to play golf.

Subject: Sister's wedding, Friday before Labor Day
One of my sisters is getting married on Saturday, Sept. 2 in western Pennsylvania. This means rehearsal (I'm in the wedding) and rehearsal dinner, etc. will be on Friday. Most importantly, my soon-to-be brother-in-law has eschewed a traditional drunken bachelor party in favor of a golf outing Friday afternoon. My deep commitment to family values compels me to request that I be permitted to absent myself from the office on said Friday. Please advise.
