**Subject:** Re: Nichols Investigation

I'm glad you'll be able to combine a visit home with some work on the Nichol's papers and articles. I'll be especially interested in any photographs or clips of film contained in the articles/papers. This is an enormous help - thank you so much!!!I've never had a conversation with Jeremy or with FINCEN about Jim Hosty. It is possible Jeremy spoke with FINCEN and that I was not aware of that. He is not in Kansas City, or at least does not live there. I have a Florida address for him although it did not come from FINCEN. (Don't you think Hosty would be a good person to interview in January or February?)To: Anne Buttimer/ARRBcc: From: Laura Denk/ARRB Date: 08/24/95 02:41:46 PMSubject: Nichols InvestigationI talked to Jeremy and to Tracy about working on the Dr. Nichols investigation in K.C. during the Labor Day weekend. They both gave me the green light -- so, I will plan to track down the articles for you while I am home.I would also like to meet Special Agent James Hosty while I am home -- if he is still in Kansas City. (I don't remember if I told you that my mother's neighbor is a retired FBI Agent who was stationed in K.C. and was good friends with Hosty.) Jeremy said that FINCEN told you he was in Florida. What's the latest on him? (I thought I would ask him to go to coffee and have him tell me his side of the story.)
