**Subject:** Re: ethics training

ah, the wonder of computers. Dave Montague is not in our email system yet, so the computer selected the only other name it could find from its soundex file, Bill Davy. Bill is an assassinations researcher who helped us with some New Orleans information/records. I have him entered in my "address book" which for some reason that Chet does not understand tends to get mixed up with our office email address book (the same thing happens every time I send something to Mary - the computer thinks I've selected Mary Ferrell.)!!To: Anne Buttimer/ARRBcc: From: Dennis Quinn/ARRBDate: 09/05/95 11:13:32 AMSubject: Re: ethics trainingWho is Bill Davy???To: Dennis Quinn/ARRB, Bill Davycc: From: Anne Buttimer/ARRB Date: 09/05/95 11:08:00 AMSubject: Ethics trainingDennis - we spoke about ethics training for some of the new people.
