Subject: Re: Jim Hosty

Thanks for the info. and address update. I don't speak Spanish, either, but you were very close on his address: Punta Gorda. To: Anne Buttimer/ARRBcc: From: Laura Denk/ARRB Date: 09/06/95 12:32:46
PMSubject: Jim HostyAn update on the whereabouts Jim Hosty... When I was home, I talked to Jim Hosty on the telephone for about a half hour. He is currently in Kansas City. He stays with his son in Kansas City from approx. May until the end of October. He told me that he has his own listing in the K.C. phone book as "James Hosty." His number there is (816) 942-9039. In the winters, he moves down to Florida, probably to the address you already have. He told me that they do disconnect the phone while they are away, since they are not there for half the year. His phone number there is (941) 639-4391. The address is 1600 Islamorada, #72B, Puerto Gourda 33955. (I know I have grossly misspelled the town name -- forgive me -- I am completely unfamiliar with Spanish.) I did not have an incredibly substantive conversation with him, because his publishers have advised him to wait to talk about the assassination until his book is published in November. However, he was a pleasant human being and seemed eager to talk to us once the book comes out.
