Oh, I apologize. I didn't mean it like that at all. I just meant that I have to go to the meeting, so today I wouldn't be watching and if the meeting wasn't in the conference room you guys could still watch. Therefore today they are your soaps because I cannot view. Let me know if that made no sense to you at all.

They are as much MY soaps as they are yours, dear.

There is an Archival Procedure meeting set for 1:30 today. Currently it is going to be in the conference room, sorry to interrupt your soaps. If the location of the meeting changes I will let you know. Sorry.
