Subject: Re: New AP wire database

This sounds great, Chet. (email). Please give as much advance notice of the training date as you can because I have a lot of office travel coming up but I do want to attend the training. In the alternative will you offer an additional training time?

You may add the AP wire database to your desktop. It is in the database of data. Soon we will be sending out instructions on use of the new internet E-Mail system. I am waiting for the vendor of this service to provide us with our E-Mail address system. Each of us will have our own e-mail address that will be something like CHET_RHODES@JFK-ARRB.GOV I will provide a full training session when it is ready in the next 2-3 weeks. Thanks.
