Subject: Re: Organized Crime figures in Louisiana

I could have used more notice myself, however the LSP only decided yesterday afternoon to assign our request to Lt. Hunter (we'd written to them in June). I spoke with Hunter yesterday at 4:30 pm and sent the email soon thereafter.

Categories: I'm meeting with Lt. Dave Hunter of the Louisiana State Police Investigative Support Center on October 3 to discuss organized crime files they may have that we want included in the Collection. Please send me the names of ANY Louisiana (or elsewhere) based O.C. figures in order that I have a very complete list for Lt. Hunter. I'd appreciate getting this information by Monday afternoon. I also asked for access to all of the L.S.P. intelligence files on the pro-Castro groups, the right wing groups, the Cuban exile groups, etc. He gave me a long explanation about what happened to the files, but in short they were all shredded (so he said) six or seven years ago when the state became concerned it would be sued for maintaining such files. Looks as if we're out of luck on this one.
