You will recall that this is one of the documents requested by Thomas Battocletti, and it is also on the long list contained in the petition submitted by Aguilar, et al. Steve is still hoping to find the original. The copy has a notation indicating that the original was given to Inspector Kelly (USSS) on 11/27/63. The notation is signed RIB (Robert Bouck, I presume). Steve faxed me a copy and Tammi is getting a cleaner copy at College Park today. Also, tomorrow, Ann, Doug and myself are meeting to compare notes/thoughts on the list of medical "records" submitted by Aguilar, et al. We will make priorities as you requested, and I intend to submit one list to you.
