Val has left for the day for a doctor's appointment. I'll take a look at it tomorrow and see what we can do. Perhaps they will accept a Purchase Order? I'll contact them and see--if the number is not on the letter can you please e-mail it to me? Thanks.

Investigative Issue 36 concerns records housed in their archives. (there are 40+ boxes) The best way to find out what we want is to review their inventory, which they will only send us if we PRE-PAY the photocopying charges for the inventory (89 pages x .10 pages, plus approximately \$3.00 in postage.) I know we need an invoice and that we can't prepay for things, but is there any way the attached letter (given to Val) can act as an invoice and can we cut a check so I can get the inventory and get on with getting the records for the Collection? Thanks.
