**Subject:** Re: Computer Disk Project  
I have added the software to your computers. Tammi I put your version on the computer in the board room due to the location of your floppy drive. (your back will thank me!)To use the software please call me in the morning once you all are set up and ready to go.You will need the disks from the SCIF, any new disks and a book or memo to pass the time.Divide the disks up and page me when you are ready to begin.1-800-449-7076.Thanks for helping out.
