Subject: Re: Jack's hearing
How about having the drawing at 1:30 so that the lucky winners can be on the Hill by 2:00, when the hearing is supposed to begin?

Several of you have expressed an interest in attending Jack's hearing. So that we don't empty out the office (as well as have too many staff at the hearing) we have implemented the following: We will have a lottery and select up to 5 staff members to attend the hearing. You MUST have your supervisor's approval prior to entering the lottery. The drawing will be at 2:00. Good luck!
