Subject: Re: increased cost of renting a car

I just spoke to Carol at Rosenbluth about this. She said you were guaranteed at \$27/day and they should have honored that. Did you show them your confirmation of that rate? It would be on your itenerary. In any case, we can submit a claim to get the difference back when you return. Carol said to save ALL receipts and info that they give you, including the copy of the contract that you sign.

Subject: Increased cost of renting a car
When Rosenbluth made my pland and car reservations on 9\21 the lowest price for a rentalcar in New Orleans was \$27.00 a day with National. (I selected a compact\economy car, not a mid-size.) When I got to the rental counter Tuesday evening the price had become \$34.00 a day for the same class of car. They told me rates "went up a few days ago." I wanted you to know this in case there's anything you can do about it.
