Please draft a letter to Graboske requesting that he state, for the record, that there are no USMC manuals or regulations that pertain to DSD-1173 and M-1 qualifications. I agree, let's ask DOD. Please draft a letter, addressed to Stewart Aly, making such a request. To: Jeremy Gunn/ARRBcc: From: Douglas Horne/ARRB Date: 10/03/95 08:52:33 AM Subject: Re: 1173 Graboske said the USMC was unable to find any documents or manuals which would have answered the DD-1173 or M-1 qualification questions. I think its time to ask DOD for their DD-1173 issuance guidance from 1959. To: Douglas Horne/ARRBcc: From: Jeremy Gunn/ARRB Date: 10/02/95 03:51:01 PM Subject: 1173 What does a "negative response to inform me that the Marine Corps had come up with a negative result on both counts" mean? How about writing in plain (i.e. non military-speak) English? Did he inform you that there were no such regulations at the time or that he was unable to find copies of the regulations that in fact existed at the time? Whatever the answer, we will want to get it from him in writing.
