**Subject:** RE: General Counsel  
Jack:I discussed the decision with every member of the Board. Anna called me before I announced the decision to put voice strong support for Jeremy. Kermit reiterated his opposition but assured me that it would have no negative effect on our working relationship. Bill, although not enitely comfortable with the decision, sent a note of support. Henry was strongly in favor. Any news on the confirmation process? I'm off to Berlin tomorrow night. I have a meeting on Friday morning with the Gauck Commission which is responsible for administering the records of the former STASI. The trip dovetails nicely with my Museum Commission meeting this weekend and has the added advantage of the ARRB not having to buy the plane ticket! Back on Monday.Tom is in Boston today meeting with Dave Powers. He had a good chat with him last week. Powers wants to cooperate.David
