As I mentioned, the most detailed discussion I have seen is in Trask's book. He would share whatever additional information or knowledge which he possesses.

Subject: Charles Bronson/John Sigalos, sq.  
Dave is doing some work concerning Bronson and his attorney, John Sigalos. I'm looking for statements/comments in books or in the press from either of them concerning the history of the film, Bronson's relationship with the Federal government prior to the ARRB, Sigalos' statements about the film on his client's behalf, etc. If anyone has a reference to the same, please let Dave know at your earliest convenience (he's off today, will be here next week.) Thank you all.
