Subject: Re: Request
I'm pretty sure I've done a search on him some time ago -- I believe it was for Anne. We might try to access her files first. I have no copy of whatever I gave Anne since at the time I was heeding the general injunction not to create duplicate files. If we can't get at what I gave Anne, I do another search. There wasn't much, as I recollect... a handful of documents at most. To: Joseph Freeman/ARRBcc: From: Jeremy Gunn/ARRB

Would you collect information we have in HSCA files on I. Irving Davidson and give them to me. There is no rush.
