Subject: Re: Robert Tosh Plumlee allegation/Congressional records

I would not give the Plumlee issue any more credence or time than you and Anne, in your good judgment, believe is warranted. To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 10/24/95 04:56:52 PM
Subject: Robert Tosh Plumlee allegation/Congressional records
On page 28 of the transcript of the Board's hearing in Dallas (in your box, attached to hardcopy of this E-Mail), Robert Vernon of Truth, Truth, Truth Inc alleges that Mr. Plumlee was a CIA-contract pilot who flew Roselli to Dallas on 11/21-22/63 on an abort mission relative to the assassination. He also states that Plumlee testified before both the Church Committee and (on specific dates in 1990 and 1991) John Kerrey's Senate Foreign Relations subcommittee (on Iran-Contra, apparently). As you advised me to use some discretion, I did not include this or other Vernon "leads" in the tracking chart when I did my update. Notwithstanding, should we try and confirm whether in fact Plumlee testified before any Congressional Committees? I will try and run down any reference to Church Committee testimony here, since we have a copy of the report. Should someone contact the Senate Foreign Relations Committee in an attempt to see if Plumlee testified before them in '90-'91?
