Subject: Re: HSCA files

The HSCA staff list I gave you back on 7/24 had the SSN's for all but four individuals. One, Harold Leap, was a DEA detailee and his HSCA personnel folder contains no SSN. There is no personnel folder for a second, Elizabeth Brown. SSN's for the remaining two are as follows: William Johnson [Screened by: NARA RD-F on 12/23/2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107 6(3)] Betty Sisson [Screened by: NARA RD-F on 12/23/2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107 6(3)] Off the top of my head, I can't recall what I gave you re: consultants, but I don't know that we're going to come across much more than I've given you already. I'll keep my eyes open, though, for anything new. I've not received any direction from Jeremy about what I should be doing about Church or Pike Committee records, but should probably chat with him about it sometime soon. To: Joseph Freeman/ARRBcc: From: Anne Buttimer/ARRB Date: 10/31/95 10:27:00 AM Subject: HSCA files Now that the HSCA files are being reviewed is there any chance you'll find social security numbers and/or dates of birth for any additional staff members or consultants? If so, please let me know because I'm still trying to put a complete list of these people together. Also - do you have any idea what is happening with the Church and Pike committee records? I'll need the SSN's and DOB's from those if we ever get access to them. Thank you.
