Subject:	Re: Anne Goodpasture Interview
Body:	That's a good idea. Let's think about it and consider which documents we might want to send.To:Jeremy Gunn/ARRBcc: From:Michelle Seguin/ARRB Date:10/31/95 04:54:27 PMSubject:Anne Goodpasture InterviewI have an idea...Do you think that it would be helpful to send to Ms. Goodpasture some CIA documents from the collection relating to Mexico City so that she could familiarize herself with the records? She has not seen these records or dealt with the subject matter for over 20 years. I think that sending her records a few weeks before her interview may make the interview more profitable for us. Granted, she may not be interested in reviewing, but I think it may be worth sending them anyway.
