I have some info on it, but it's not open season for the TSP yet. I believe that will be in December or January. But, you're welcome to the info that I do have.

I will be distributing booklets to each of you on the health plans that are available this year. If you do not wish to change your plan, you don't need to do anything. If you do want to change your enrollment, see me for a form.  
I will also post a memo on some of the changes in the kitchen. Please disregard the address for you to send your forms--ALL FORMS NEED TO BE RETURNED TO EITHER ME OR VALERIE FOR PROCESSING. The first effective date of any changes will be January 7, 1996.  
If you have any questions, I'd be happy to help.
