Subject: Re: Cost of directory assistance calls and cost of Dallas phone books
I'm sorry I haven't gotten back to you sooner on this. The cost of directory assistance calls is \$.36/call.To:Tracy Shycoff/ARRB, Valerie Trzaska-Sails/ARRBcc:Dave Montague/ARRB From:Anne Buttimer/ARRB Date:10/25/95 09:52:57 AMSubject:Cost of directory assistance calls and cost of Dallas phone booksDave and I are trying to decide if it is more cost effective to use directory assistance for all the calls he's making to Dallas or if it would be less costly, long term, to buy the yellow and white pages for the Dallas/Fort Worth area. Tracy - what do we pay per long distance directory assistance call?Val - I think you checked with the phone company months ago about the cost of phone books, but it might be the New Orleans books you priced. Will you please check on the cost now. It looks as if Tom may be the next person to go to Dallas and if he goes we can ask him to "acquire" phone books, but for now, which is the better cost alternative?
