I take your point and will make the changes.

I had purposely omitted calling this a depositon in order to appear less threatening, and perhaps get Humes  
talking more freely. I also wouldn't mention the subpoena in the first letter, but would be prepared to  
mention it in a telephone call if he hesitiates or requests one. I think the more comfortable he is with us the  
more he will talk. If you need more on this let me know.
