Subject: Re: federal register notice of "consent releases"

Phil can this wait till next week, I am pushing to get the 9(e) report out and get ready for the meeting.thanksTo:Chet Rhodes/ARRBcc:Valerie Trzaska-Sails/ARRB, David Marwell/ARRB, Jeremy Gunn/ARRB From:Phil Golrick/ARRB Date:12/04/95 07:44:20 AMSubject:Federal register notice of "consent releases"I have some language, which Jeremy has signed off on and which I have attached, for a federal register notice of "consent releases." We need to copy the list of RIF numbers from the "FBI consent" database into the notice to generate a final product. The database also should keep track of the date that we print out a notice containing a given RIF number (like evidence request dates on the reviewtrack).Thanks for your help.
