Thanks for getting it all ready. I'll let you know as soon as we have a date.

Subject: Tim Wray
Tim Wray's computer is all set up and working. Chet asked me to spend some time training him on Lotus Notes when he starts, so I will plan on doing that on his first day of work. I have also talked with Noelle and she will spend some time training him on the Review Track. Will you please let me know when he is starting, so I can plan to train him. Thank you
