**Subject:** Re: Information  
I have added your name to our group list to receive information about the Board's activities. To obtain copies of the documents we are releasing, I suggest you contact to JFK Assassination Records Collection at the National Archives (College Park, MD) 301-713-6620. I may be able to send you copies of the released documents to date, however due to costs, from here on in, we no longer can accommodate these requests. Thank you for your interest in the Board's work. Eileen A. Sullivan
