Classified TestimonyGood question! The short answer is I don't know... I was hoping for some feedback as to  
whether David and Jeremy would like to proceed next week before I started going through the testimony to  
doublecheck for other agencies' equities. If we're not shooting for next week, then I'd just as soon put off the  
reading until after the Board meeting.To:Joseph Freeman/ARRBcc:From:Mary
