Can you take care of this, please? Thanks.

Flags  
Would it be possible to get two more of the above packets, one green and one orange? The FBI and CIA teams, respectively, have run out of the flags with which they are color-coding the 6 HSCA Security Classified boxes. It's my fault we didn't order enough initially, and I apologize for having to ask again. Many thanks if this is able to be done.
