Subject: Re: How does this compare with Abraham Zapruder after the assassination???
Very similar, in that Zapruder felt terrible about filming it, but also profited tremendously from his "misfortune" of being in the wrong place in the right time. Very dissimilar, in that this video has now publicly aired within a short time (about one month) of Rabin's assassination and unlike the Zapruder film, major media organs cannot lie about what it portrays since the public has now seen it.
