Subject: Re: ???

Thanks for the welcome back. I spent all night at national airport (after Northwest lost my luggage, I had to wait in line with 25 other people to fill out forms...by then, "no more metro"!). I may turn into a zombie by lunch time, I don't know. The big "crunch" is on now...we medical folks talk to Andy Purdy (HSCA medical investigator) on Monday--and we depose Humes on Feb 13th, and Boswell on Feb 26th. If I don't have a lot of time to "shoot the breeze" until later in February, I know you'll understand! Thanks again for the welcome back. We do need to go see Nixon together...would yoiur wife like that too? I hope so. I haven't seen it yet. How about after the NFL conference championships are over, but before the Superbowl? (Football playoffs are

Body: a holy rite for me.) Later!
