Sure -- it was a meeting. (Our first ! How exciting!) How about this . . . add to the chart as you read stuff and if you run out of reading, we'll meet again. I'll continue working on it from my angle. Have fun with Chet.

Did our discussion earlier count as a meeting? If we still need a meeting I would prefer to do it sometime today because I will be spending most of Thursday and Friday with Chet. Thanks.
