Subject: Re: Next step on FBI/HSCA Security Classified Files documents
It is doubtful that I shall ever master Jeremy's economy of expression, but let the record show I am available at everyone else's convenience to meet briefly on this question (as is Kevin, I believe). As you are the busiest amongst us, Jeremy, your schedule/priorities should probably determine the when and where, but if I don't hear back from you in a week or so, I'll tweak you.
