Subject: Re: list
Please try to draft some questions on FCI.To: David Marwell/ARRBcc: Jeremy Gunn/ARRBFrom: Phil Golrick/ARRBDate: 01/24/96 01:11:16 PMSubject: Re: listI'd use the two questions in my memo on informant postponements.As to foreign counterintelligence postponements in FBI documents, which haven't been put to the Board previously, I think it would be more effective simply to put the selected documents to the Board, rather than asking them general questions in advance of any deliberations.
