Subject: Re: FBI referrals to military
Just for the sake of completeness -- as opposed to whether we think they might actually received anything from FBI -- I suggest adding OSD [Office of the Secretary of Defense], Joint Staff, INSCOM and NSA. To: Tim Wray/ARRBcc: From: Jeremy Gunn/ARRB Date: 01/31/96 03:33:50 PMSubject: FBI referrals to militaryTo: Jeremy Gunn/ARRBcc: From: Phil Golrick/ARRB Date: 01/31/96 08:20:08 AMSubject: FBI referrals to militaryI have asked Deb Beatty at the FBI to run a computer print-out of FBI referrals of documents in the core and related files to the following agencies: Army, ONI, OSI, and DIA. Should I ask Deb to include any others?She told me that, generally, the military branches have responded to FBI referrals with reasonable promptness, and that the largest category of their postponements involve methods of intelligence gathering overseas.
