Subject: Re: OCRs

Which database should these OCRs be placed? Since Fitzpatrick does not work for an agency, Agency Contacts is inappropriate. I do not have access to Public Contacts, so I cannot place his OCR there. Also, what sort of detail would you like in the write-ups? Should I refrain from including any of the opinions they formed since we did not ask them to form any opinions? To: Dennis Quinn/ARRBcc: Douglas Horne/ARRB From: Jeremy Gunn/ARRB Date: 02/12/96 09:36:03 AM Subject: OCRs Would you please prepare some OCRs for Fitzpatrick and Uberlocker. Please stress that we retained them for the purposes of having them help us understand the medical evidence and not to ask them to form any opinions on the medical evidence. Thanks.
