Stop being so nosy.

Not to be nosy, but which cases? I got one for Jeremy yesterday and I wonder if you have been tasked to do the same work that I did. I got one that was in vol. 114 of the S.Ct. -- a 1993 or 1994 case (actually I think DOD cited it as 1994, but it was actually 1993.)
On the lunch thing -- let's communicate again closer to the actual time.

Well, I actually am prepared to BUY my lunch today (hey, it's Friday). I also intended to visit DOJ to copy a few cases that DoD cited in its request for postponment. I had hoped to grab lunch with a friend of mine who works at Justice, but we are playing phone tag and I have a feeling I won't hear from him until later. So, I'm rather flexible.
